RE: Freedom of Information Act (FOIA), 5 U.S.C. § 552
Request No. **26-00500-FOIA**

Dear Mr. Wooten:

This letter responds to your request, dated and received in this office on December 3, 2025, for information concerning all records related to the Chicago Mercantile Exchange (CME Group) trading outage that began on the night of Thursday, November 27, 2025, and continued into the morning of Friday, November 28, 2025.

We have identified approximately 3,990 pages of electronically maintained records that may be responsive to your request. Under the FOIA, you are considered a "Commercial Use" requester. As such, you are required to pay for search and review costs in accordance with our [fee schedule](#).

We typically estimate that it will take a staff member one (1) hour to review approximately 50 pages of email records. Therefore, our preliminary estimate at this point to review approximately 3,990 pages of emails for release under the FOIA is approximately 80 hours.

Since the records are voluminous, if requested, we would process them in our Complex track. Under 5 U.S.C. § 552(a)(6)(D)(i) agencies may provide for multi-track processing of requests for records based on the amount of work or time (or both) involved in processing requests. The SEC's regulation Implementing multi-track processing is located at 17 CFR § 200.80(d)(4).

Email records typically consist of drafts, attachments, and news clippings. Therefore, you may want to consider narrowing the scope of your request.

At present we anticipate that it may take thirty-six months or more before we can begin to process a request placed in our Complex track.

If you are interested in having us place your request in our Complex Track, please write or call me by **September 3, 2026**, and identify the records of interest to you. Please be advised that if we do not hear from you within this time period, we will assume that you have elected not to pursue your request, and it will be administratively closed.

If you have any questions, please contact Sonja Osborne at osbornes@sec.gov or (202) 551-8371. You may also contact me at foiapa@sec.gov or (202) 551-7900. You may also contact the SEC's FOIA Public Service Center at foiapa@sec.gov or (202) 551-7900. For more information about the FOIA Public Service Center and other options available to you please see the attached addendum.

ADDENDUM

For further assistance you can contact a SEC FOIA Public Liaison by calling (202) 551-7900 or visiting <https://www.sec.gov/foia/contact-office-foia-services>.

SEC FOIA Public Liaisons are supervisory staff within the Office of FOIA Services. They can assist FOIA requesters with general questions or concerns about the SEC's FOIA process or about the processing of their specific request.

In addition, you may also contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA dispute resolution services it offers. OGIS can be reached at 1-877-684-6448 or via e-mail at ogis@nara.gov. Information concerning services offered by OGIS can be found at their website at [Archives.gov](https://www.archives.gov). Note that contacting the FOIA Public Liaison or OGIS does not stop the 90-day appeal clock and is not a substitute for filing an administrative appeal.
